February 2011

Dear Menahalim and Mechanchim,

At a meeting of the Vaad Roshei Yeshiva of Torah Umesorah, a presentation was delivered by an organization called Guard Your Eyes. We are writing to you based on the Vaad's הסכמה and recommendation.

The Guard Your Eyes (GYE) organization specializes in the treatment and prevention of obstacles facing today's morality. GYE was founded three years ago with the help of Rabbi Dr. Avraham Twersky. They have since assisted approximately 1,000 Jews in breaking free from addictions to inappropriate material on the internet and other related activities. GYE is also offering practical solutions and help to our schools as well.

Torah Umesorah is therefore recommending to you the following GYE resources, to help meet the challenges encountered in our homes and schools:

- 1) **The new GYE support Hotline** - Manned by trained professionals to serve our schools and communities, this hotline is ideal for mechanchim and parents: **646-600-8100**. Please make the number available to those who might make use of it.
- 2) **GYE Prevention Tips for Parents** – Awareness, tips and practical advice on dealing with digital dangers in today's world. You may wish to publicize this pamphlet to your parent body.
- 3) **The GYE Handbook** – An invaluable resource to be used when encountering talmidim who are struggling with areas of קדושה וטהרה. We encourage the schools to make the "GYE Handbook" available to every Menahel and/or Rebbe.

Those receiving this letter via email, please find the attached "Prevention Tips for Parents" and the "GYE Handbook" for easy printing. Those receiving this letter via fax, you may request that these documents be sent to you via email by writing to info@torah-umesorah.org

PLEASE NOTE: The GYE material is not meant for children. It is intended only for mechanchim and parents.

May your efforts bring us to the fulfillment of קדושתם והייתם קדושים.
